"Open House"

Welcome to Fryeburg Academy! We are holding "Open House" and want you to visit F.A. via the 1962 BELL. Meet the students and faculty, and see what goes on within these walls. Come on in!

Come
In!

Foreword

How do you do, Mr. or Mrs. Visitor to F.A.'s Open House. Each November during National Education Week the students; staff, and faculty of Fryeburg Academy hold an open house for parents and friends.

Open House from seven to nine on a November evening can do little more than give the visitor a bird's-eye-view of school life on the campus. We propose in the pages of the 1962 BELL to give you a comprehensive look at the 1961-62 school year--classes, games, plays, clubs--in short, the works!

We want you to meet the members of our faculty and most important of all our students. We want you to see what we are doing in the classroom and in athletics, dramatics, and music.

Be our guests on a personal tour of F.A!

Dear Seniors:

No matter what your life's work and objectives may be, the years you have studied here have been years of preparation. We believe that the purpose of education we offer is to provide you with the fundamental tools of communication: an understanding of the relationship of numbers, an insight into the complexities of the scientific world around you, and an awareness of concepts concerning your heritage and the American way of life. We have tried to foster the development of the character traits which mark a mature person, integrity, honesty, endurance, perseverance, and loyalty. We have tried to help you see the importance of the spiritual world within which we live.

It is my hope that through association with the faculty and staff of this Academy you have derived the values which are consistent with those which mark fine men and women in our society. You, as seniors, have been in a position of leadership at the Academy. There is no question but that your role has been more significant than you may have thought. Many of the underclassmen have turned to you for guidance even though they may never have spoken to you. Your class has set a good example for those who will follow you, and I congratulate you on your achievements.

It will take you some time after graduation to settle into your new routines, whatever they may be and wherever you may go. However, in years hence I hope that you will reminisce and think about your Academy as an institution of learning. I also hope that you will find the time to come back and visit us in the near future. If you ever have suggestions which you think will better the Academy, I would appreciate your letting me know so that the faculty and I can evaluate them and perhaps incorporate your ideas. I hope, also, that you will always find a warm spot in your hearts for the Academy.

Classes

The classroom doors are open for the BELL'S Open House. As you visit classes during our Open House, you will hear the students conjugating French and Latin verbs, see them solving for x or y in mathematics, balancing accounts or taking dictation in the Business Education Department. In English classes you will find students studying the fundamentals of good writing and speaking. In the laboratory you will discover future scientists. In Industrial Arts, our future carpenters and in Home Economics, our future homemakers are hard at work.

Miscellaneous Scenes Around FA!

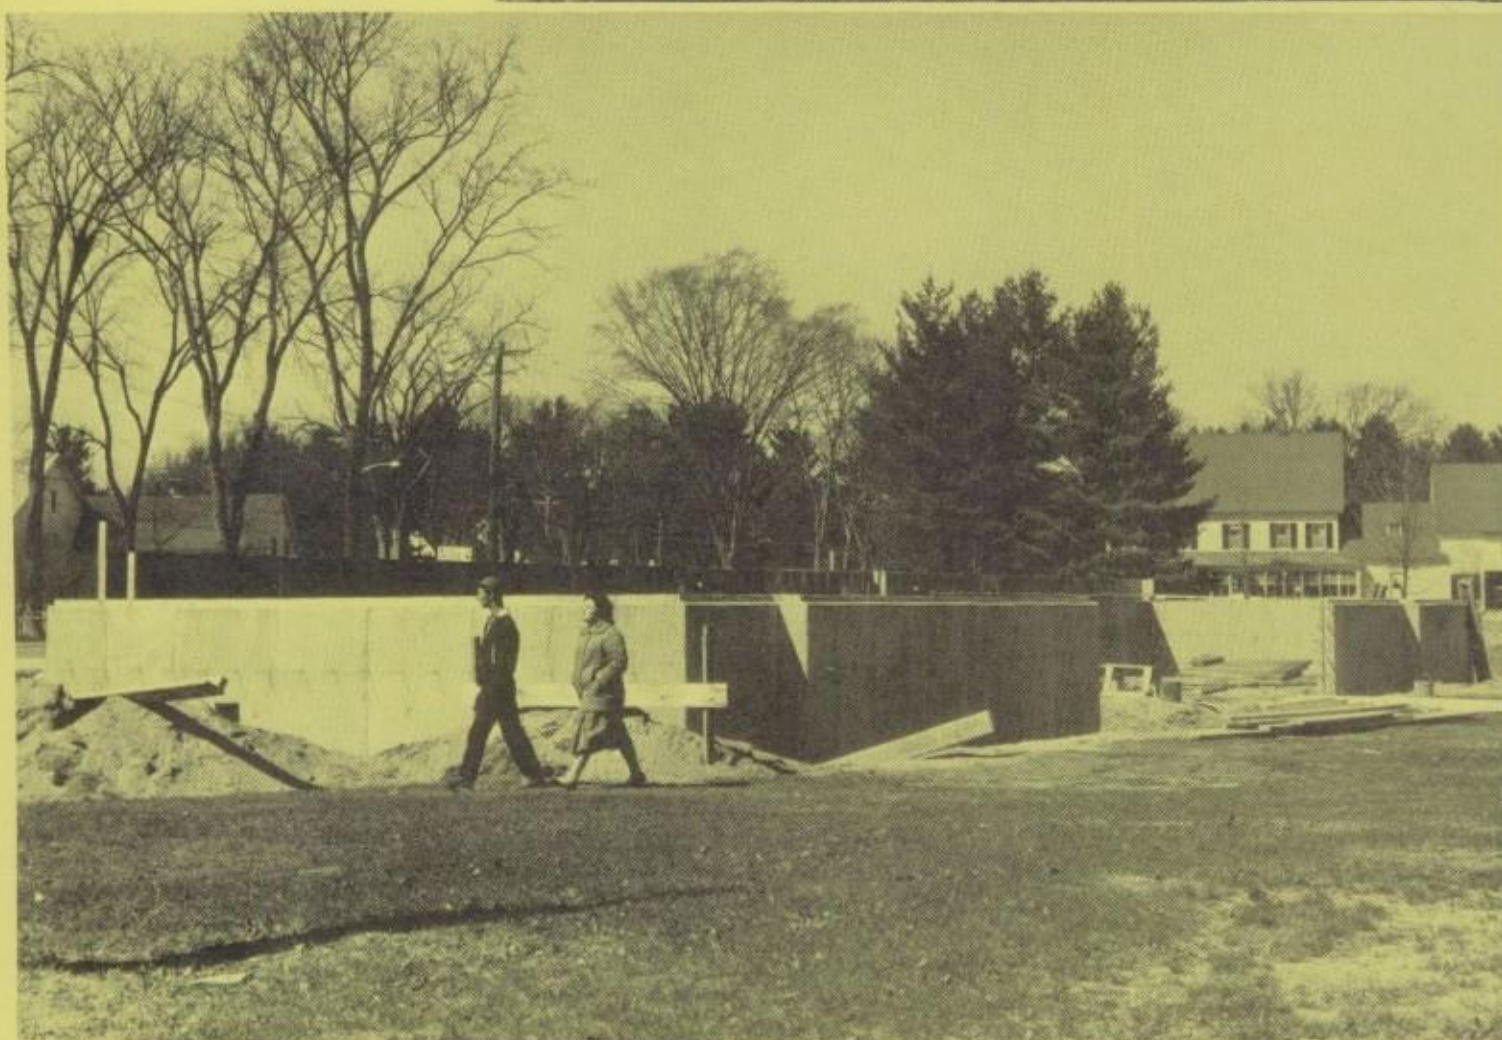

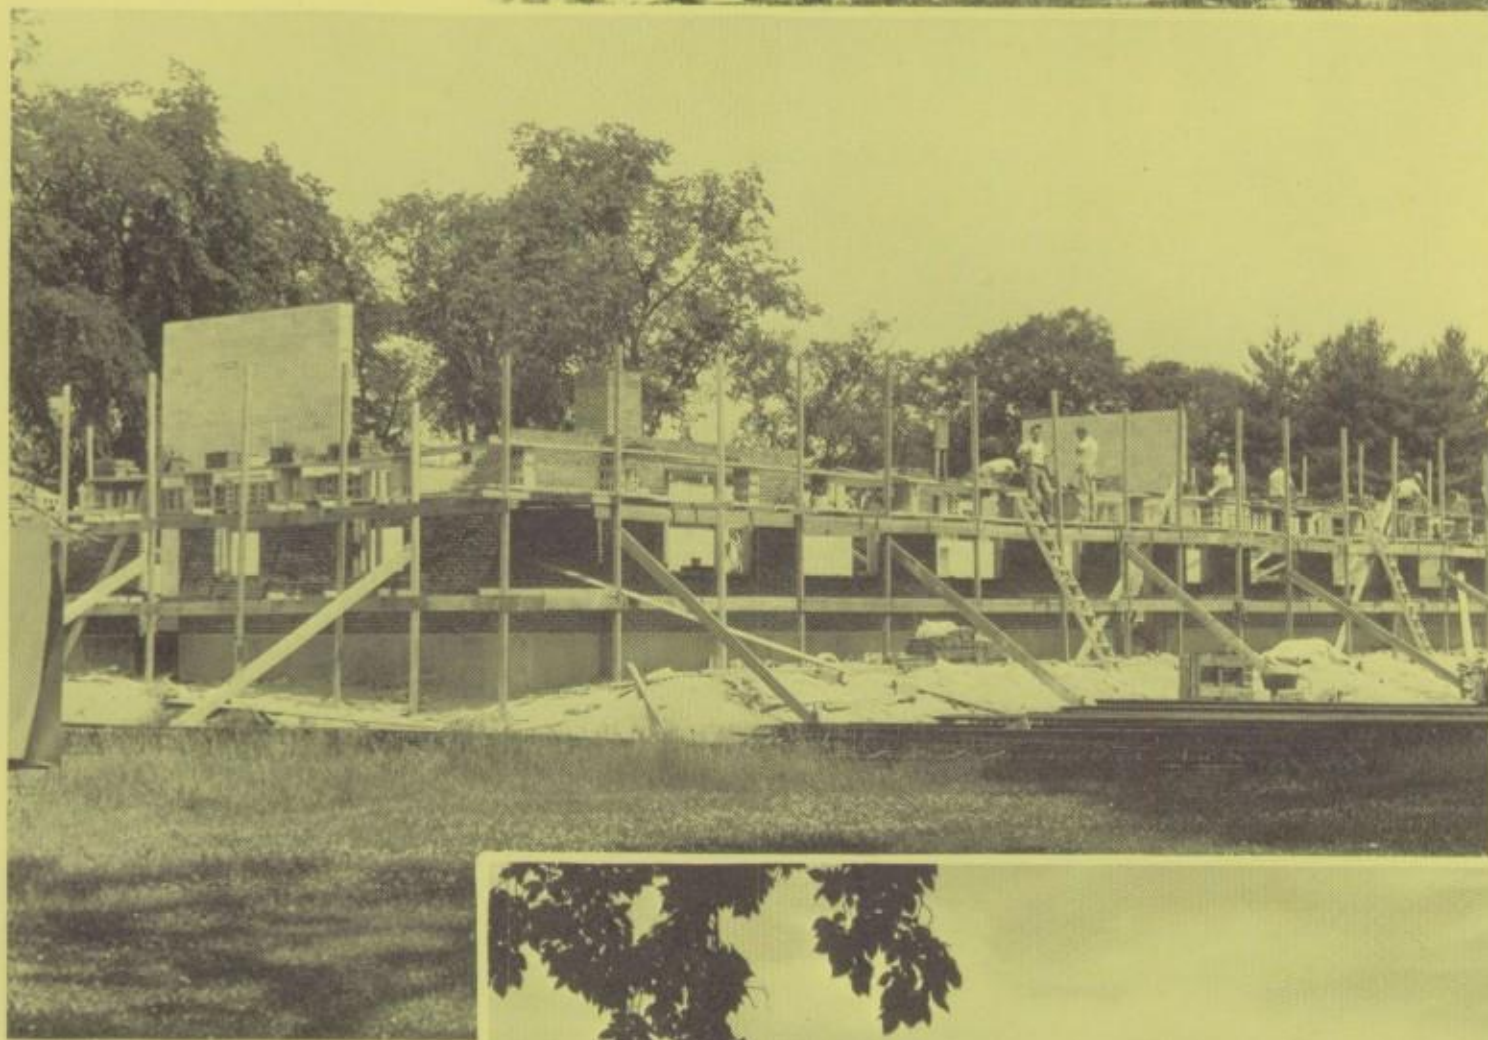

The long-anticipated event -- Mr. John Weston, vice-president of the board of trustees, breaks ground for the new boys' dormitory.

A bulldozer takes over.

Will it ever be a dormitory?

It's beginning to look like a wall!

The windows take form.

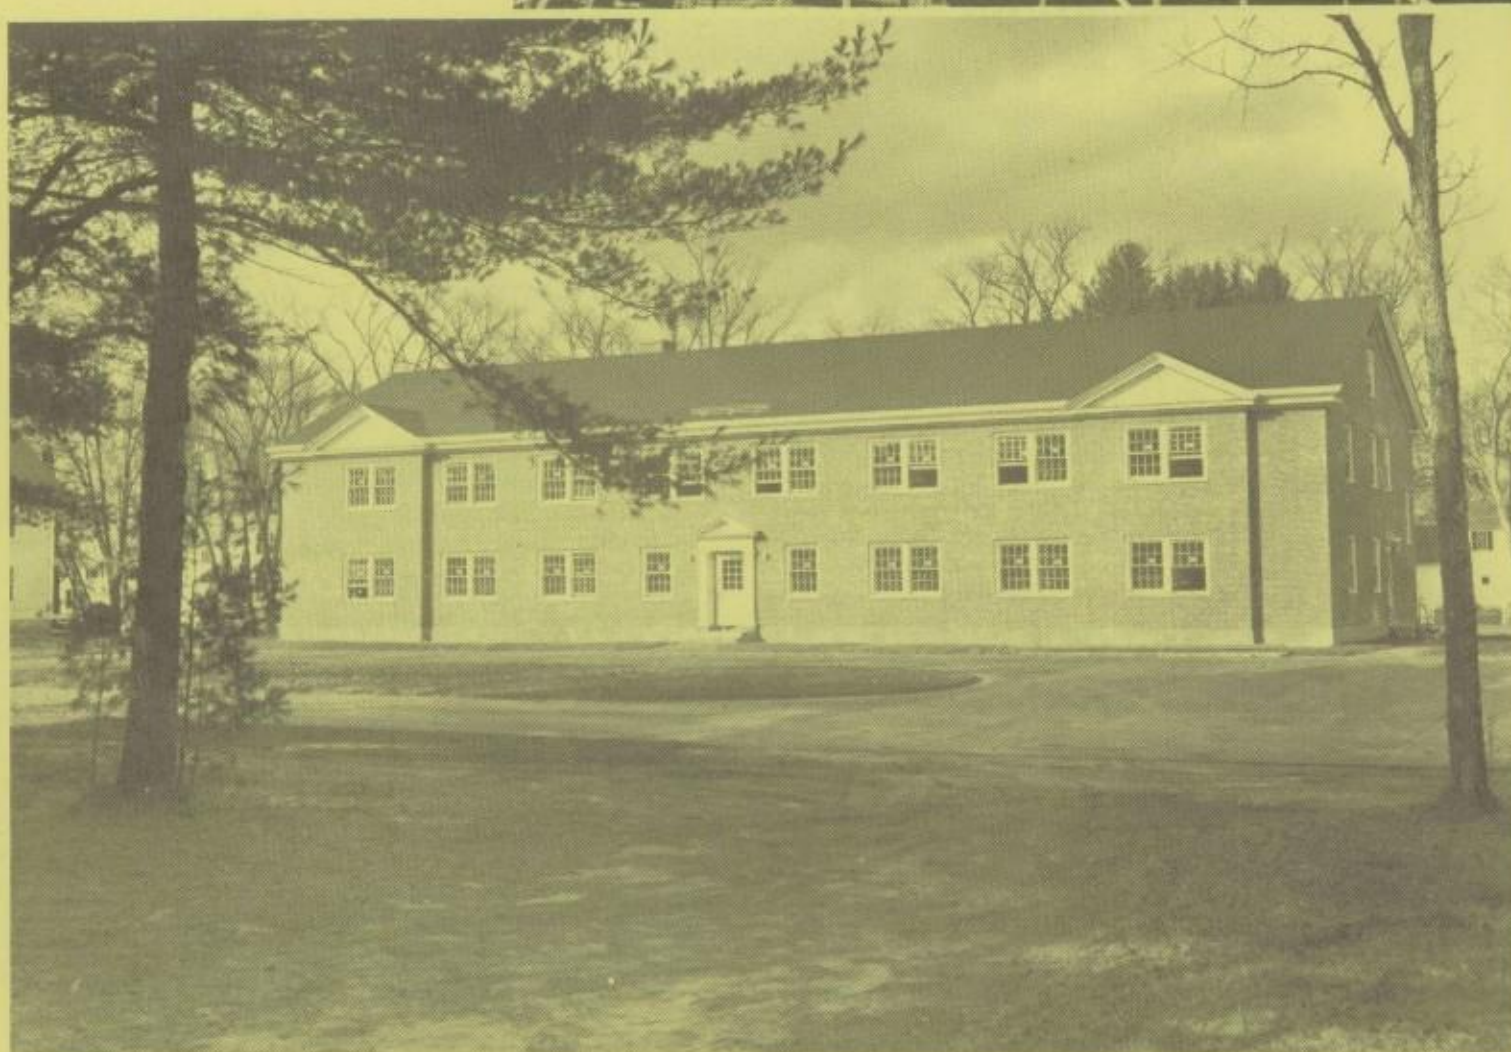

We're ready for the roof.

Which room do you choose?

Hurry! hurry! hurry!
School has begun.

Completed at last!
Isn't it beautiful?

Sponsors

Members of the sponsoring staff of the 1962 BELL need no lengthy introduction. They have solicited from many of you in the course of the year. Energetic, hard-working, good businessmen all, they and you, their backers, are key people in the financing of this novel Open House. They take this opportunity to say thank you!

Our Sponsors

Thanks

The sincere thanks of the BELL staff go to the loyal friends of Fryeburg Academy who have played so large a part in financing this 1962 edition.
